Important Notice to Patients Regarding COVID-19

In light of the current COVID-19 situation, the Royal College of Dental Surgeons of Ontario (RCDSO) has strongly recommended against any non-essential or elective dental treatment.

Accordingly, as of March 16th, and continuing until further notice, we will only be providing emergency care. All routine appointments (such as checkups or cleanings) will be cancelled. We will work with you to reschedule your visit.

If you are suffering from an emergency or need to reschedule an appointment, please call our clinic at (416) 259-1346 or email us at info@marksdentistry.com. Please be advised that all patients will be screened for COVID-19 symptoms and risk factors prior to their visit and in-person in accordance with RCDSO guidelines.

Our top priority is to safeguard the health and safety of our patients, staff and entire community during this challenging time. We appreciate your cooperation as we all work together to reduce the spread of COVID-19.

Sincerely,

Marks Dentistry
